

K. PAPP CLINICAL RESEARCH

September 19, 2016

FiveStar Executive Transportation has provided outstanding service to both K. Papp Clinical Research Inc. and Probity Medical Research Inc. since 2007. Over the years our companies have grown an increasing need for transport services - FiveStar has always met our needs and consistently proven to be a reliable, professional and comfortable means of travelling. Arranging travel with FiveStar is always a pleasure as booking details are promptly confirmed and potential delays are taken into account to ensure our staff arrives on time. FiveStar has become our first choice for transportation.
